

## Notice on Confidentiality

„Dear User,

In the spirit of full transparency, we would like to inform you about the measures we shall apply to the information and data transferred from you to us. We shall:

- delete your data to the extent reasonably possible and permitted by law upon your request or upon completion of production and delivery and upon expiration of warranty periods.
- transfer or grant access to your data only to suppliers that are potentially suitable to fulfill your order.
- oblige the supplier, that you have selected, to work with your information and data on a need to know basis.
- oblige the supplier, that you have selected, to comply with applicable laws, especially data privacy laws, copyright laws and intellectual property laws.
- oblige the supplier, that you have selected, to delete your data to the extent reasonably possible and permitted by law upon your request or upon completion of production and delivery and upon expiration of warranty periods.

However, we kindly ask you to understand and accept the following:

- that our processes, platform and services are not designed to enable elevated levels of confidentiality and
- that it is in your discretion to select the supplier based on your requirements and your specific context.

We look forward to you using Craftcloud and would be more than happy to receive your order, based on the framework set out above.

Best regards,
